

GET PLACEMAKERS IN YOUR POCKET

PlaceMakers®
TRADE

PlaceMakers Trade App is a free app designed to make it even easier for you to make the most of your PlaceMakers Trade Account.

View, track status, change or update your orders

- See all your orders for all your job accounts
- See your order details including order type, order items, delivery details and delivery status
- See the individual prices and total value of your orders
- Track your order status from order confirmation to delivery
- Request change to your order items or delivery date

Need something urgent onsite or want to pick it up at your convenience?

- Order from our full product catalogue*
- Express orders* to be delivered by courier within 1–2 hours**
- Pickup orders for items that are not urgent or cannot be couriered

Manage team access and permissions

- Control who sees, places or changes your orders online
- Add/remove team members
- Assign credit limit for each team member to control their purchase amount

* Not all products can be ordered for courier due to size limitations.

** If you order between 7am to 4pm you will receive your express order within 1-2 hours.

To install the app and enjoy all its features, ask branch staff or your rep.
